

BOOKNOOK STUDENT SMARTWATCHES

Blank Designs

Use this set of BookNook Student Smartwatches to **create custom, personalized messages for students**. Includes blank designs ready for handwriting reminders, notes, or recognitions. All designs available in full-color and blackline.

1. CHOOSE YOUR DESIGN

- **Monster Charm** [Color](#) + [Blackline](#) (pgs 2-3)
- **Plain** [Color](#) + [Blackline](#) (pgs 4-5)
- **Monster Big Mouth** [Color](#) + [Blackline](#) (pgs 6-7)

2. PRINT → PERSONALIZE → CUT → DISTRIBUTE → ATTACH

- Decide how many pages to print based on the number of students.
- Open the PDF in your preferred PDF viewer (e.g., Google Chrome's built in PDF viewer or Adobe Reader)
- Select Print and confirm the following settings:
 - ✓ Page Size: Actual Size or 98%
 - ✓ Orientation: Landscape (if not automatically detected)
- Personalize (for blank watch faces): Handwrite your message, reminder, or recognition directly on the watch or have students write the message. Tip: Prewrite watches at the start of your program so they're ready to hand out anytime during your program.
- Cut around the edges of each smartwatch.
- Wrap around the student's wrist with the logo-side of the strap facing up & secure with a small piece of tape.

Ideas for What to Include on Blank Watch Faces

- | | | |
|--|---|--|
| • Reminder of first day of BookNook or upcoming sessions | • Recognize student achievements or positive behaviors | • Encouragement & motivational messages |
| • Tutoring schedule or session times | • Milestones in tutoring (e.g., sessions attended, goals met) | • Remind students of materials or devices needed (headphones, full battery, etc) |
| • Celebrations of effort or persistence | • Messages for individual students | • Conversation starters "Ask me about..." |
